

## THE INDUSTRY LEADER

in Sales, Marketing and Retail Solutions

With over 60 years' experience, a workforce spanning over 50,000 employees, 250 offices and 5,000 clients to service worldwide, **WIS International helps its customers increase accuracy, reduce costs and save management time.**

Our connected approach sits firmly at the core of our business. We ensure that we drive forwards our **MISSION** to serve as a valued strategic partner for leading retailers and manufacturers seeking outstanding people, process and technology solutions.

Followed by our **VISION** to be a trusted partner to Customers and world-class employer of choice.

Both of these core statements underpin our spirited **VALUES** which we live and breathe daily.
