HAZMAT Products – Business & Program Addendum

Effective Date: [DATE]

Seller Name: [SELLER NAME]

Entity Name: [ENTITY NAME]

Notwithstanding any click-to-accept requirements, this Hazmat Addendum (“Hazmat Addendum”) supplements the Agreement between BestBuy.com and Seller and establishes the requirements applicable to any hazmat products sold on the platform. Capitalized terms not defined herein have the meanings set forth in the Agreement.

1. Definitions:

“Hazmat Product” is any product containing a substance or material that poses a risk to health, safety, property or the environment, especially during transportation or handling.

2. Seller Requirements:

a. Product Attributes

- i. You are responsible for ensuring all product specifications are submitted accurately, including key attributes for the category. This may include battery size or the power source for the Hazmat Product.

b. Testing, Compliance and Certification Documents

- i. All testing and certification documents must be provided for all Hazmat Products intended to be sold. Hazmat Products will not be made available for sale until all documentation has been received.
- ii. Acceptable documents may include UL certifications (battery) or EPA certifications (gas products) and must also meet the following requirements:
 1. Testing and certifications must meet US safety and compliance standards;
 2. Certificates must be issued by an OSHA approved lab; and
 3. Model numbers must match between products and documents.

Generators over 300Wh	Type	Accepted Certifications
Battery Powered Generators	Battery	• UL 2743 • Permanent Installations: UL 9540
Gas Powered Portable Generators	Gas	• PGMA-G300 • UL 2201 • EPA certs with motor/model number match

Outdoor Power Equipment	Type	Accepted Certifications
Walk Behind Lawn Mowers	Gas	• ANSI/OPEI 5395-1 • 16 CFR Part 1205 • EPA certs with motor/model number match
	Battery	• UL 1447 • 16 CFR Part 1205 • Battery Certification: UL2595 • WERCS registration
Riding Lawn Mowers	Gas	• ANSI/OPEI 5395-1 • EPA certs with motor/model number match
	Battery	• UL 2753 and test reports • Battery Certification: UL2595 • WERCS registration
Snow Throwers	Gas	• ANSI/OPEI B71.3 • EPA certs with motor/model number match
	Battery	• WERCS registration
Garden Vacuums and Blowers	Gas	• ANSI/OPEI B175.2 • EPA certs with motor/model number match
	Battery	• UL 62841-1 • UL 62841-4-6 • Battery Certification: UL2595 • WERCS registration
Chainsaws	Gas	• ANSI/OPEI B175.1 • EPA certs with motor/model number match
	Battery	• UL 62841-1 • UL 62841-4-1 • Battery Certification: UL2595 • WERCS registration
Pressure Washers	Gas	• UL 1776 • EPA certs with motor/model number match
	Battery	• UL 60335-1 • UL 60335-2-79 • UL 1776 • UL 2595 • Battery Certification: UL2595 • WERCS registration

3. Order Fulfillment and Shipping Requirements:

- a. Shipping Hazmat Products according to carrier and regulatory requirements may include hazmat labeling, approved packaging, and/or special carrier

handling requirements. You are responsible for ensuring that all shipments comply with applicable DOT, IATA and other carrier-specific regulations.

4. Hazmat Product Returns

- a. Hazmat Products are not eligible for returns to a Best Buy physical store location and Best Buy will not provide a pre-paid return label to the Customer. In the event of an exception to the no-returns policy (defective or damaged item), You are responsible for coordinating the return directly with the Customer and can communicate with the Customer via the order history.
 - i. In the event that a return is accepted, return shipping charges cannot exceed the cost of forward shipping.

5. Additional Information

- a. Additional information and requirements on Hazmat Products can be found within the 'Selling Hazmat Products' document, located on the Seller Hub here: <https://partners.bestbuy.com/-/seller-hub/set-up-your-store/read-to-succeed/selling-hazmat-products>. Seller agrees to comply with these requirements, which are incorporated by reference to this Hazmat Addendum and may be updated from time to time at Best Buy's discretion.

6. Insurance

- a. Seller is responsible for procuring and maintaining the necessary insurance coverage and for compliance with the Insurance Requirements located in the Best Buy Marketplace Standard Terms. For the avoidance of doubt, gas powered generators or products containing 300+ wathour batteries (including generators) require \$5,000,000 Commercial General Liability limit per occurrence. All other Products supplied under this Addendum require \$2,000,000 Commercial General Liability limit per occurrence.

Executed as of the Effective Date through the Parties authorized representatives.
